

HIGHLINE
FUTURA

The **HighLine Collection** presents the **Futura** door series. It reflects a traditional modern door in a vertically upright way. This design is exclusive to **Victoria Strong**. This achievement was reached by pushing the design boundaries and yet adhering to simplicity. We are happy to present the **Futura** series to you.

HIGHLINE | FUTURA

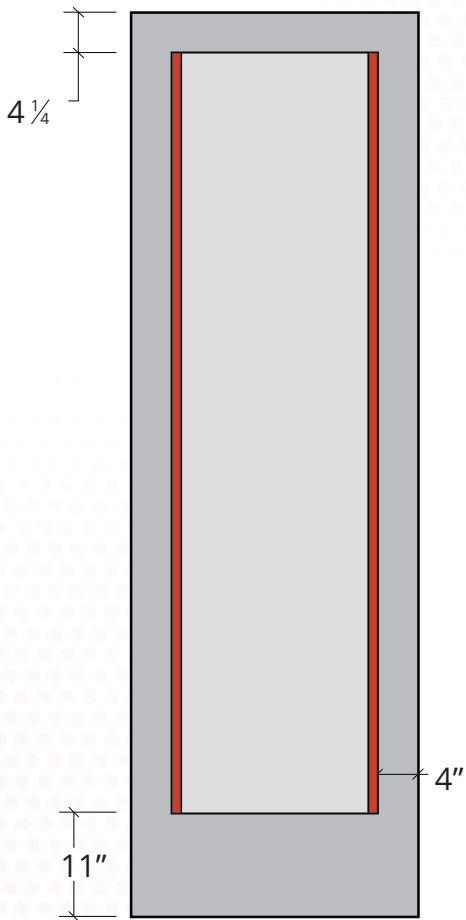

Vertically Upright Traditionally Modern

Exclusive to **Victoria Strong - Futura**, the most recent addition to the **HighLine Collection** is our newest futuristically inclined door series. The three types:

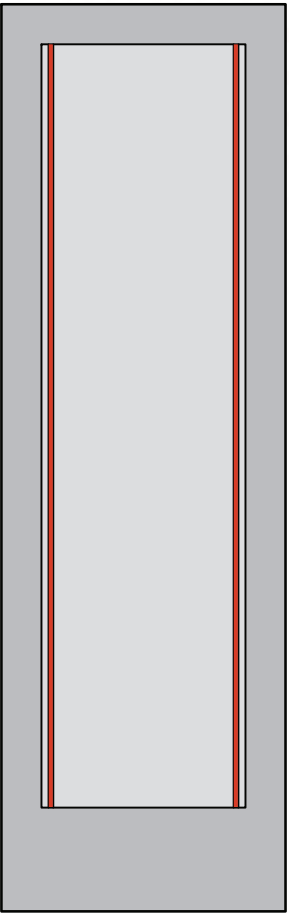

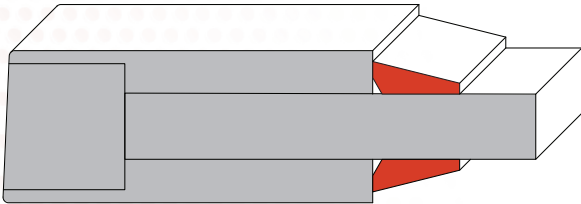

D'Elegance
Liberta
Sempre Bella

...of clean-cut vertically inset moulding options on a single recessed panel door profile, provide adequate choice to suit any style. This door series is modest, elegant and graceful.

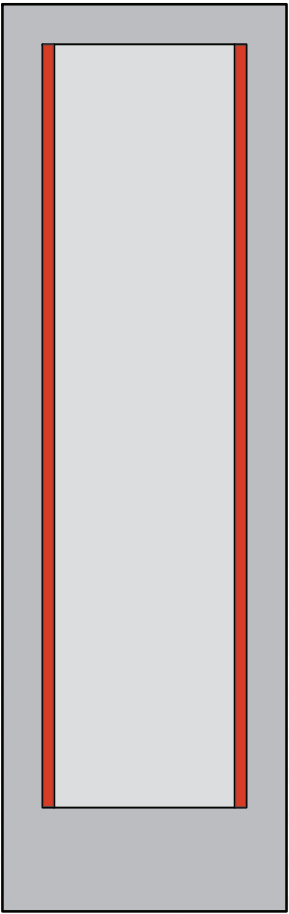

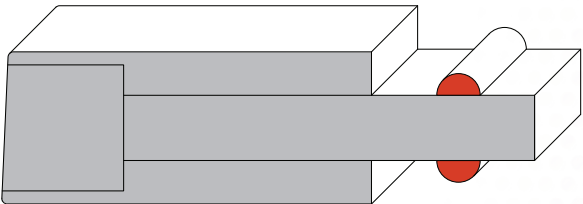

Victoria Strong delivers.
